### Description:

The 10th anniversary edition of *A New Earth* with a new preface by Eckhart Tolle.

With his bestselling spiritual guide *The Power of Now*, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In *A New Earth*, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential

to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence.

Illuminating, enlightening, and uplifting, *A New Earth* is a profoundly spiritual manifesto for a better way of life—and for building a better world.
