Description:

In-depth preparation for the AP Music Theory exam features:

1. Two full-length practice tests (both aural and non-aural sections included)
2. All questions answered and explained
3. Helpful strategies for test-taking success

4. In-depth review chapters covering music fundamentals, harmonic organization, harmonic progression, melodic composition and dictation, harmonic dictation, visual score analysis and much more

An included MP3 CD provides aural skill development prompts for both practice tests[™] aural sections, as well as material that complements exercises and examples in the subject review chapters.
