"Lies That Chelsea Handler Told Me," Chelsea Handler: Learn about the comedian's tall tales, from the victims who fell for her stories. --Summer Pick- AZ Central --This text refers to an out of print or unavailable edition of this title.

From the Author It's no lie: Chelsea Handler loves to smoke out "dumbassness," the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers--they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and, for the very first time, write about them. --This text refers to an out of print or unavailable edition of this title.
