Description:

A volume in the *Contemporary Perspectives in Rehabilitation Series*, edited by Steven L. Wolf, PhD, PT, FAPTA.

Here's a current, concise, and evidence-based approach to the selection, application, and biophysical effects of therapeutic modalities in a case-based format with a wealth of photographs and figures.

The 6th Edition builds and expands on the strengths of previous editions and their focus on expanding and strengthening clinical decision-making skills through a hands-on, problem-solving approach.
